“ Oh my, so many memories with John Vietri! He was a man of few words, but when he spoke his words had a lot of weight to them. A spiritual father and a friend! He knew how to bring me comfort when I was in distress and give me words of encouragement throughout the years! One memory that comes to mind, we were praying about an upcoming mail count I was having at the Post Office and he said many little gifts are coming. During that mail count I received many little check boxes because a bank merged with another bank and nearly half of my patrons got new checks! Another memory I have is that, while in prayer one day, the Lord said to me I love you and even all of your idiosyncrasies. When I seen John later that day, he said the same thing to me, we love you in spite of your idiosyncrasies. He truly was a prophet among us! He was giving and kind and humble full of the fruits of the spirit. He was a great husband to Ellen and father to his children. Many a young man could have learned from him. Blessings of love to the Vietri family and to his friends!

“ My condolences to the Vietri family. So sorry to hear of John's passing, however I have no doubt that he is with Jesus, his Lord and Savior, and I will see John again someday. He was such a good man and mentor and I was privileged to be among his friends.

“ I'm so sorry for this loss to you and your family Elisa. I had only met your dad a few times but I remember his laugh. It was deep and hardy and he was always smiling! And it was so wide and joyful on the occasions when we traveled home to NY together and he and your mom picked you up at the thruway exit. He was so obviously happy to see you. You have his beautiful smile!
