“ I didn't know Rose very well. I met her through her son Eric and his wife Lauren. She always had a beautiful smile that was bright and warming. I do know that she loved her family dearly and adored her Granddaughter Anne. She had a grand soul and will be missed by many. I'm sure she is now peacefully in her husband Pete's arms. RIP dear Rose.

“ So very saddened and sorry to hear of Rose's passing. We had built a special bond with one another while I cared for Pete during his final days. We remained friendly with one another long after Pete's passing and we would be able to share some laughs, memories, tears, and hugs. The kids were so small back then. Godspeed Rose and may you finally be giving Pete a run for his money. Rest easy friend.

“ I have know Rosemarie most of my life. We remained friends throughout the years and talked regularly. We hung out together in our teenage years. Roe and Pete were in my bridal party. I cherished our friendship and will miss her terribly .

“ RIP- cousin. We only had glimpses of each other's lives, but when we did have those very few opportunities to be- they were sweet. tiny grains of sand, slip too easily through our hourglass. Maybe when we find our souls in the next place, we can really work on our relationships there. My grief is about regret. And now, 09.02.2021- your Mom is flying high with the angels too. Probably my Dad will join you all soon as well.
